Raven Rock Nurseries

During the past ten years we have built up and improved our nursery so as to include the newer and finer varieties of trees and plants. It is our endeavor to concentrate our efforts to meet the demands of our customers in the selection and growing of our nursery stock. Our stock unlike that of many nurseries, in the past few years, has been transplanted, pruned and cultivated at regular intervals. We take just pride in its healthy condition. Evergreens, trees, shrubs, perennials and rock garden plants are all given a
This cozy nook in the pleasant shade of our trees is delightfully refreshing on a warm day.

A cordial invitation is extended to visit our nursery and inspect the interesting gardens and plant life found here. And when tired, you can rest in the quiet nook pictured on this page. If you are a lover of plants or interested in improving your home grounds do not fail to pay us a call. We will be glad to assist you with your problems.

The little stone bridge over the brook to our perennial beds.

Below is pictured one of our interesting rock gardens. A garden so interesting you could spend hours uncovering its secrets.

careful test and are so recommended to our patrons according to their individual merits. Practically all the stock listed in our catalogue has been grown in our own nursery and has proven its adaptability to climatic and soil conditions in this section of the state.

We will guarantee that any stock purchased from us and planted by us will thrive, if given ordinary treatment. This statement is made because we know that the stock in our nursery has the fine root system necessary for successful growing.
**Informative Index**

Our purpose of including in our catalog this novel index is to pass on to you in a concise form the information as where to plant Evergreens, Trees, Shrubs, Perennials and Rock Garden Plants. The information given below is not presented with the idea that plants must be planted in the exact location specified, but rather as a general guide which we have found practical. This index will facilitate the planning of your home grounds and help you place plants where they will thrive best.

### PLANTS FOR SUNNY LOCATIONS

#### Evergreens
- Abies balsamea ............... 6
- Abies douglasi ............... 6
- Cedrus atlantica glauca .... 7
- Chamaecyparis ............... 10
- Cryptomeria .................. 7
- Juniperus, in variety ....... 7
- Pinus, in variety ............ 9
- Thuja ......................... 12
- Tsuga .......................... 13

#### Evergreen Shrubs
- Buxus ........................ 14
- Cotoneaster .................. 14
- Daphne cneorum ............ 14
- Erica .......................... 14
- Pyracantha ................... 16

#### Trees
- Acer .......................... 17
- Betula ........................ 17
- Catalpa ....................... 20
- Cornus ......................... 20
- Crataegus ..................... 20
- Fagus .......................... 20
- Flowering Crabs ............. 20
- Larix .......................... 20
- Magnolia ....................... 20
- Morus alba pendula .......... 21
- Platanus orientalis .......... 21
- Populus nigra italica ....... 21
- Prunus ........................ 21
- Quercus rubra ................. 21
- Robinia globosa .............. 21
- Salix .......................... 21
- Sorbus aucuparia ............ 21
- Tilia americana .............. 21
- Ulmus americana ............. 21
- Ulmus pumila ................. 21

#### Shrubs
- Althaea ........................ 22
- Azalea, Deciduous ........... 22
- Berberis thunbergii .......... 22
- Buddleia ....................... 22
- Cercis canadensis .......... 23
- Clethra alnifolia ............ 23

#### Vines and Climbers
- Ampelopsis ................... 25
- Clematis ...................... 25
- Polygonum auberti .......... 25

Evergreens

The evergreens constitute a group of plants which are most valued for landscape effect. A wide diversity of color and habit of growth render them particularly useful for limited areas of foundation plantings or for bed or border uses, others for screens, hedges, windbreaks, and for group and specimen plantings. They are always desirable for any landscape planting for both Summer and Winter effects.

All our evergreens have been transplanted at regular intervals and have developed a mass of fine, fibrous roots. The ideal condition of our soil and our extensive cultivation makes it possible for us to produce the finest quality of stock at reasonable prices. Our assortment of evergreens, as you will note, contains many of the choice and scarce varieties. You are cordially invited to come to our nursery where you may make your selection from our hundreds of fine specimen trees.

Evergreens may be successfully transplanted from the time the frost leaves the ground until the end of June. The Autumn and Fall is also an excellent time to move evergreens. The culture of these trees is very simple. Keep the soil well cultivated to prevent the ground from baking and drying out. Beware of the use of commercial fertilizer. Peat moss, humus, or well rotted manure is much more beneficial. See to it that the trees have sufficient water after they are planted and especially during the hot and dry Summer months. A light mulch of humus, peat moss or old straw or hay is very beneficial during the Winter months.

Abies balsamea  
Balsam Fir
The foliage is of a dark green color above, silvery beneath. It is widely known for its extremely pungent odor.
3 ft. ............... $2.50  4 ft. ............... $3.50
5 ft. ............... $4.50

Abies concolor  
White Fir
One of the finest ornamental evergreens. It is almost as blue as the Colorado Blue Spruce.
1½ to 2 ft. ....... $2.00  3 to 4 ft. .......... $6.00
2 to 3 ft. ........ $2.50  4 to 5 ft. ..... $8.50
3 to 5 ft. .......... $11.00

Abies douglasi  
Red or Douglas-fir
The Douglas-fir is one of the most valuable of all coniferous trees. A vigorous, symmetrical and graceful tree which matures into large specimens. It is very hardy and will grow in almost as much shade as the Hemlock.
1½ to 2 ft. ....... $1.00  4 to 5 ft. .......... $4.00
2 to 2½ ft. ....... $1.50  5 to 6 ft. ........... $6.00
2½ to 3 ft. ....... $2.00  6 ft. specimen ... $8.00
3 to 4 ft. ........ $3.00  7 ft. specimen ... $12.00
8 ft. specimen ....... $15.00

Abies douglasi

Abies douglasi
**EVERGREENS**

**Juniperus chinensis fortunei**
Has gray-green foliage. Forms a broad, irregular pyramid. The tips of the branches are slightly pendulous.

</tbody>
</table>

---

**Juniperus chinensis**
*A native of Asia which has many points of merit. It is immune from severe Winters, can withstand heat and drought, and is free from plant diseases and pests. It forms a compact, pyramidal tree with bright green or glaucous, prickly needles.***

<table>
<thead>
<tr>
<th>Size</th>
<th>Price</th>
</tr>
</thead>
<tbody>
<tr>
<td>4 to 5 ft.</td>
<td>$8.50</td>
</tr>
<tr>
<td>5 to 6 ft.</td>
<td>$10.50</td>
</tr>
</tbody>
</table>

**Cedrus atlantica glauca**
*Blue Atlas Cedar*
Grows to a large pyramidal tree with upright leading shoots. Handsome blue foliage with rigid habit giving a unique appearance.

<table>
<thead>
<tr>
<th>Size</th>
<th>Price</th>
</tr>
</thead>
<tbody>
<tr>
<td>4 to 5 ft.</td>
<td>$8.50</td>
</tr>
<tr>
<td>5 to 6 ft.</td>

![Juniperus chinensis pfitzeriana](image-url)
Juniperus excelsa stricta  
*Spiny Greek Juniper*

This beautiful variety forms a dense, conical tree tapering gradually from the ground to a sharp terminal point. The growth is slow so that it is well adapted for foundation plantings, rock gardens, or other situations where smaller or dwarf trees are required. It is perfectly hardy and has a fine glaucous color.

---

(See page 9)
Picea glauca conica  
*Dwarf Alberta Spruce*
Very rare. A charming, compact, cone-shaped evergreen with very dense foliage and of very slow growth. Invaluable for formal effects and rock gardens.

- 10 to 12 in. $2.00  
- 12 to 15 in. $3.00  
- 2 to 2½ ft. $7.50

Picea pungens  
*Colorado Spruce*
A stately evergreen that assumes large proportions when matured. Sharp, dull green leaves on horizontal branches. A fine lawn specimen.

- 8 to 12 in. $0.50  
- 10 to 15 in. $1.00  
- 2 to 2½ ft. $2.00  
- 2½ to 3 ft. $2.50  
- 3 to 4 ft. $4.00

Picea pungens glauca  
*Blue Colorado Spruce*
The same as the preceding variety, except that the foliage is bluer.

- 8 to 12 in. $1.00  
- 12 to 15 in. $2.00  
- 1½ to 2 ft. $3.00  
- 2 to 2½ ft. $4.00  
- 2½ to 3 ft. $5.50

Picea pungens glauca kosteriana  
*Koster Blue Spruce*
The bluest of Blue Spruces. This is the most remarkable and conspicuous of all the conifers for ornamental planting. Being symmetrical and shapely, its ideal purpose is as a specimen.

- 12 to 18 in. $4.50  
- 18 to 24 in. $6.00  
- 2 to 2½ ft. $8.00  
- 2½ to 3 ft. $10.00

**PINUS. Pine**

*Pinus banksiana*  
*Jack Pine*
A tree of rather shrubby nature and very fast growth.

- 7 to 8 ft. $9.00  
- 8 to 9 ft. $12.00

*Pinus cembra*  
*Swiss Stone Pine*
A rare, semi-dwarf Alpine evergreen with deep green needles, silvery underneath. A tree of symmetrical growth and one that will thrive in partial shade.

- 18 to 24 in. $4.50  
- 4 ft. $10.00

*Pinus densiflora*  
*Japanese Red Pine*
A tree of rapid growth when young. Branchlets are very light colored.

- 4 to 5 ft. $4.00  
- 5 to 6 ft. $6.00  
- 6 to 7 ft. $8.00

*Pinus flexilis*  
*Limber Pine*
Similar to White Pine except that the foliage is of a distinct blue color.

- 12 to 18 in. $1.50  
- 18 to 24 in. $2.00  
- 3 to 4 ft. $6.00
**Pinus montana mughus**  
_Mugho Pine_  
A slow growing dwarf evergreen with dark green needles. The branches are of spreading habit and never attain a height of over 3 or 4 feet which makes it a very desirable plant for the foundation planting or the rock garden.

- 12 to 15 in. $1.00  
- 1½ to 2 ft. 2.00  
- 2 to 2½ ft. 3.00  
- 3 to 4 ft. 4.50  
- 4 to 5 ft. 6.00  
- 5 to 6 ft. 8.50  
- 6 to 7 ft. $12.00  
- 8 to 12 ft.  specimen $18.00

**Pinus nigra austriaca**  
_Austrian Pine_  
Vigorous, symmetrical tree. Long, rich green needles. The Winter buds are whitish and long.

- 2 to 3 ft. $3.00  
- 3 to 4 ft. 4.50  
- 4 to 5 ft. 6.00  
- 5 to 6 ft. 8.50  
- 6 to 7 ft. $12.00  
- 8 to 12 ft. specimen $20.00

**Pinus resinosa**  
_Norway or Red Pine_  
A hardy, vigorous tree with long, rich green needles. Develops into fine specimens.

- 2 to 2½ ft. $2.00  
- 2½ to 3 ft. 3.00  
- 3 to 4 ft. 4.50  
- 4 to 5 ft. 6.00  
- 5 to 6 ft. $7.00

**Pinus strobus**  
_White Pine_  
One of our most useful Pines for screen or group planting. They develop into tall, straight specimens. It will thrive on poor sandy soil. It has soft green needles with a very slight tint of blue.

- 3 to 4 ft. $3.00  
- 4 to 5 ft. 4.50  
- 5 to 6 ft. 7.50  
- 6 to 7 ft. $15.00  
- 7 to 8 ft. $25.00  
- Broad specimens $25.00-$75.00

**Pinus sylvestris**  
_Scotch Pine_  
Of rapid growth, with strong branches and short, stiff, bluish green needles. Will thrive in dry, sandy places.

- 2 to 3 ft. $1.50  
- 3 to 4 ft. 2.50  
- 4 to 5 ft. 4.00  
- 5 to 6 ft. 5.50  
- 6 to 7 ft. $7.00  
- 8 to 12 ft. specimen $12.00 to $20.00

**Pseudotsuga douglasii**  
See Abies douglasii

**CHAMAECYPARIS. Cypress**

**Retinospora filifera**  
_Thread Cypress_  
The long, threadlike branches are very pendulous and of a bright green color.

- 2 to 2½ ft. $2.50  
- 2½ to 3 ft. 3.00  
- 3 to 4 ft. 4.00  
- 4 to 5 ft. 5.00  
- 5 to 6 ft. 6.00  
- 6 to 7 ft. $7.00  
- 8 to 12 ft. specimen $25.00

**Retinospora filifera aurea**  
_Golden Thread Cypress_  
A golden form of the above. Needs sun to retain its rich golden color.

- 12 to 15 in. $1.50  
- 15 to 18 in. 2.00  
- 18 to 24 in. 3.00  
- 2½ to 3 ft. 5.00  
- 3 to 4 ft. specimen $10.00  
- 4 ft. specimen $12.00 to $15.00

**Retinospora obtusa cripsi**  
_Golden Hinoki Cypress_  
A medium size, graceful tree with bright yellow foliage.

- 18 to 24 in. $2.50  
- 2 to 2½ ft. $3.50  
- 3 to 4 ft. $4.50  
- 4 to 5 ft. $6.00  
- 5 ft. specimen $10.00

**Retinospora obtusa gracilis**  
_Slender Hinoki Cypress_  
Compact, dark green, frondlike foliage. One of the finest dwarf evergreens for foreground planting.

- 15 to 18 in. $1.75  
- 18 to 24 in. 2.50  
- 2½ to 3 ft. $3.50  
- 3 to 4 ft. $5.00  
- 4 ft. specimen $10.00  
- 5 ft. specimen $12.00 to $15.00
**Retinospora obtusa gracilis compacta**  
*Dwarf Hinoki Cypress*
Compact, dwarf, dense, irregular plant with Japanese effect.
- 8 to 10 in. $2.50
- 10 to 12 in. $4.00
- 12 to 15 in. $5.00

**Retinospora obtusa gracilis youngi**
Beautiful, compact form with dark green, lacelike foliage.
- 2 to 3 ft. $3.50
- 3 to 4 ft. $5.00
- 4 ft. specimen $6.50

**Retinospora filifera**  
*(See page 10)*

**Retinospora pisifera**  
*Sawara Cypress*
A quick growing pyramidal tree with feathery green foliage.
- 3 to 4 ft. $3.50

**Retinospora pisifera aurea**  
*Golden Sawara Cypress*
Golden form of the preceding variety.
- 2 to 3 ft. $2.50
- 3 to 4 ft. $4.00
- 4 to 5 ft. $6.00

**Retinospora plumosa**  
*Plume Cypress*
Forms a dense, compact, conical tree with green, feathery foliage. It has a very graceful habit and is well adapted to foundation plantings because it can be easily sheared and kept within bounds.
- 2 to 2½ ft. $2.00
- 2½ to 3 ft. $2.50
- 3 to 3½ ft. $3.00
- 3½ to 4 ft. $4.00

**Retinospora plumosa aurea**  
*Goldenplume Cypress*
Golden form of the above. Very attractive as it gives color to the planting when grouped with other evergreens.
- 1½ to 2 ft. $1.50
- 2 to 2½ ft. $2.00
- 2½ to 3 ft. $3.00
- 3 to 4 ft. $5.00

**Retinospora plumosa lutescens**
This is a dwarf variety of Retinospora plumosa of compact form and golden color. Exceptionally fine because it does not readily outgrow its location.
- 12 to 15 in. $1.25
- 2 to 2½ ft. $3.50

**Retinospora squarrosa veitchi**  
*Moss Cypress*
An unusual variety with blue-gray foliage of bushy habit with feathery branchlets, giving a woolly appearance.
- 18 to 24 in. $1.50
- 2½ to 3 ft. $3.50

**Sciadopitys verticillata**  
*Japanese Umbrella-pine*
A very unusual Pine with attractive, light green needles and conical habit of growth.
- 8 to 10 in. $0.75
- 2½ to 3 ft. $12.00

**TAXUS. Yew**

**Taxus cuspidata**  
*Spreading Japanese Yew*
Rich, deep green foliage with a spreading habit. In the Fall the plants bear brilliant scarlet berries. A beautiful and most desirable evergreen. It does very well in the shade and is very hardy.
- 12 to 18 in. spr. $1.75
- 18 to 24 in. spr. $3.00
- 2½ to 3 ft. spr. $6.00
- 3 to 3½ ft. spr. $8.00
- 4 to 4½ ft. spr. $14.00
**EVERGREENS**

**Driveway Planting of Taxus**

**Taxus cuspidata capitata**  
*Upright Japanese Yew*  
Upright growing form of the above. Matures into broad, shapely pyramidal specimens having the same scarlet berries as the spreading Yew. It is extremely hardy and one of the choicest evergreens.

**Tsuga canadensis**  
*American Hemlock*

One of the most graceful and adaptable of all the evergreens. The leaves are about half an inch long, dull green, and slightly grooved above, striped beneath. Does well in the shade. Matures into fine specimens. Very useful in foundation plantings as it can be readily sheared. They make a splendid hedge or windbreak. We have a wonderful stock of Hemlock all of which have been frequently transplanted and sheared. They are plants that are sure to please our customers.

Evergreen Shrubs

Each year we find an ever increasing demand for our evergreen shrubs. The beauty of their foliage together with their gorgeous flowers make this one of the most desirable class of plants. Our selection, as you will note, includes many of the newer introductions as well as the old time favorites.

Abelia grandiflora
Choice plants with shining foliage and producing light pink flowers from July until frost.
2 to 3 ft. $1.00 3 to 4 ft. $1.50

Azalea amoena
Purple red flowers in April and May. Small, bright green leaves. Very hardy.
12 to 15 in. $1.50 18 to 24 in. $5.00

Azalea hinodegiri
Undoubtedly the most popular of all Azaleas with many large, bright scarlet flowers gracing its evergreen foliage in April and May.
8 to 10 in. $1.00 12 to 15 in. $2.00
10 to 12 in. 1.50 15 to 18 in. 3.00

Azalea J. T. Lovett
Flowers in late June and July. Rich carmine flowers completely cover the plant. Decidedly spreading in habit.
12 to 15 in. $3.00

Azalea ledifolia alba
Pure white flowers. 2 to 2½ ft. $4.00

Azalea macrantha
Large, single salmon red flowers which bloom later than Azalea hinodegiri.
10 to 12 in. $2.00

Berberis verruculosa
Warty Barberry
Very attractive shrub of medium growth with shiny foliage. Fine for the rockery.
9 to 12 in. $1.00 12 to 15 in. $1.75
18 in. $2.50

Buxus sempervirens
Boxwood
Slow growing, glossy green evergreen. Excellent for formal specimens or for hedges.
10 to 12 in. $0.75 15 to 18 in. $1.50
12 to 15 in. 1.00 18 in. 2.00
24 in. $2.50
Broad specimens. $4.00 to $6.00

Buxus sempervirens—Pyramids
Same as above, trained in pyramid shape.
24 to 30 in. $4.00

Buxus sufrutcosa
Old English Boxwood
These dense Boxwood are used extensively for edging. Of slow growth, but very compact and most enduring.
6 to 8 in. $0.50 10 to 12 in. $2.00

Cotoneaster horizontalis
Rock Cotoneaster
A dwarf shrub of trailing habit especially suited for the rockery. It is covered with brilliant red berries in Autumn and Winter.
10 to 12 in. $1.00 1½ to 2 ft. $2.00
1 to 1½ ft. 1.50 2 to 2½ ft. 2.50
Specimen, 3 to 4 ft. $3.00 to $5.00

Daphne cneorum
Rose Daphne
A dwarf evergreen shrub which bears clusters of pretty pink flowers in May and August. It has a delightful fragrance.
9 to 12 in. $0.85 15 to 18 in. $1.75
12 to 15 in. 1.25 18 to 24 in. $2.50

Erica carnea
Spring Heather
Rosy pink flowers in April and May.
3 in. pots $0.25 5 in. pots $0.50

Erica vulgaris
Scotch Heather
Rosy lavender flowers in July and August.
5 in. pots $0.50

Erica vulgaris alba
White Scotch Heather
White flowers in July-August.
5 in. pots $0.50
**ERGEBREN SHRUBS**

**Erica vulgaris alporti** *Crimson Heather*
Dark crimson flower in July-August.
5 in. pots ........................................... $0.50

**Erica vulgaris aurea** *Golden Scotch Heather*
Pink flowers, July-August. Golden foliage in Summer; bronze in Winter.
5 in. pots ........................................... $0.50

**Erica vulgaris compacta nana**
Dwarf, compact growth.
5 in. pots ........................................... $0.50

**Euonymus japonica** *Burningbush*
An upright, bushy shrub with deep green leaves. Needs Winter protection.
10 to 12 in. .... $0.25 2½ to 3 ft. ...... $2.50

**Euonymus variegatus**
1½ to 2 ft. ........................................... $1.50

**Ilex opaca** *American Holly*
Slow growing with short spreading branches. The Holly used at Christmas.
12 to 15 in. .... $1.00 15 to 18 in. .... $2.00 18 to 24 in. .... $3.00

**Ilex crenata** *Japanese Holly*
A compact bush with small oval leaves. Does well in the shade. Can be sheared to desired shapes. Small plants are very interesting in the rockery.
12 to 15 in. .... $1.00 2½ to 3 ft. ...... $5.00
15 to 18 in. .... 2.00 3 to 3½ ft. ...... 7.00 4 to 6 ft. specimen. .... $8.00 to $15.00

**Kalmia latifolia** *Mountain-laurel*
Does well in sun or shade. Pink to white flowers in June. A fine plant to group with Rhododendrons. We can offer well rooted nursery grown plants as well as collected stock.
Collected Nursery Grown
1 to 2 ft. .... $1.00 2 to 3 ft. .... $3.00
2 to 3 ft. .... 2.00 3 to 3½ ft. .... 4.00

**Mahonia aquifolia** *Oregon Hollygrape*
Shiny holly-like green leaves which turn to beautiful tints of red and bronze in the Autumn. Likes shade.
18 to 24 in. .... $1.25 3 to 3½ ft. .... $3.00 3½ to 4 ft. .... $4.00

**Pachysandra terminalis** *Japanese Spurge*
An evergreen ground cover with attractive, dark green leaves and white flowers. Will grow in either sun or shade. Especially useful for planting in shady places where grass will not grow.
Pot Grown Plants

- **Everestanum.** Rosy lilac.  
  - 18 to 24 in. $5.00
- **H. W. Sargent.** Crimson.  
  - 18 in. $5.50
- **Lady Armstrong.** Rose pink.  
  - 2 ft. $6.00
- **Lee’s Dark Purple.** Dark purple.  
  - 18 to 24 in. $6.00
- **Mrs. C. S. Sargent.** Bright pink.  
  - 18 in. $5.50
- **Roseum elegans.** Good rose.  
  - 18 in. $4.50  
  - 2 ft. $5.50  
  - 4 ft. specimen $18.00 to $25.00
- **Carolinianum.** Carolina Rhododendron. Nursery grown. The most attractive of the native kinds. Very desirable for foundation planting or among evergreens. It is exceptionally free flowering. Of compact growth with small leaves and flowers varying from light to deep pink.
  - 15 to 18 in. $2.00  
  - 18 to 24 in. $2.50
- **Catawbiense.** Catawba Rhododendron. A very hardy variety having rosy purple flowers.  
  - 18 to 24 in. $4.00  
  - 2 to 2½ ft. $5.00
Ornamental and Shade Trees

There are many fine ornamental and flowering trees which may be planted to great advantage, especially where a small or medium size tree is desired. Our shade trees are especially fine, all of which have been sprayed, pruned and transplanted at regular intervals. They are well-branched and have a fine root system. A few well chosen trees will reward you with an abundance of shade in a few years. Plant a tree and watch it grow.

**Acer dasyacarpum**  
Silver Maple  
A rapid growing tree with light green leaves deeply cut and silvery underneath. Some of these trees are branched to the ground, making them very useful for screening purposes.  
12 to 14 ft. bush form .................. $8.00  
3 to 3 1/2 in. cal...$8.50  
3 1/2 to 4 in. cal...$12.00

**Acer platanoides**  
Norway Maple  
The most popular street or shade tree. Forms a well rounded, symmetrical head.  
6 to 8 ft ...........$2.00  
1 1/4 to 1 1/2 in. cal. 3.00

1 3/4 to 2 in. cal. 5.00  
3 1/2 to 4 in. cal...$7.50

**Acer saccharum**  
Sugar Maple  
The well known native variety of erect growth. Good street tree.  
1 1/4 to 1 1/2 in. cal...$3.00  
1 3/4 to 2 in. cal...$5.00  
1 3/4 to 2 1/2 in. cal...$7.50  
3 3/4 in. cal...$12.00 to $15.00  
Specimen, 4 to 7 in. cal...$20.00 to $75.00

**Acer palmatum**  
Green Japanese Maple  
Dense, deeply cut, graceful foliage. Develops into fine specimens.  
3 ft ..................$2.00  
4 ft ..................$3.50

**Acer palmatum atropurpureum**  
Bloodleaf Japanese Maple  
Rich purple red foliage, deeply cut. The growth is upright and bushy which makes it one of the most desirable lawn specimens. Best planted in full sun.  
18 to 24 in ...........$3.00  
2 1/2 to 3 ft .........$6.00  
2 to 2 1/2 ft ..........4.50  
3 to 4 ft ..........9.00  
6 ft specimen ........$20.00

**Betula alba**  
White Birch  
Collected Clumps  
6 to 8 ft ...........$4.00  
8 to 10 ft ..........6.50  
10 to 12 ft ...........$8.00  
12 to 14 ft ..........10.00

**Betula alba laciniata gracilis pendula**  
Cutleaf Weeping Birch  
Makes a very picturesque lawn specimen.  
10 to 12 ft ...............$8.00

**Betula alba purpurea**  
Purpleleaved White Birch  
Fine form with white bark and purplish foliage.  
6 to 8 in ..................$4.50

(Continued on page 20)
PERENNIALS

We have selected the group of perennials illustrated in color on this page for three reasons: First—they are very hardy and easy to grow. Second—they are colorful and an ever increasing source of joy and pleasure. Third—they represent practically continuous bloom throughout the growing season. If you had only these varieties in your garden you would still have a garden full of interest and charm. Visit our perennial gardens; they are a source of interest to every garden lover.
EVERGREEN SHRUBS

No landscape planting is complete without evergreen shrubs. Not only are they colorful when in bloom, but they provide a pleasing touch of green throughout the entire year.

SHRUBS

These gorgeous plants offer a wide range of subjects and if varieties are selected with care, will give continuous bloom the entire growing season at a small cost.

ROSES

Roses are essential in every garden. Whether planted in individual locations or en masse, they always make a beautiful display.
ORNAMENTAL AND SHADE TREES

(Continued from page 17)

**Catalpa bungei**  *Umbrella-tree*
A round-headed tree on straight stems. Very formal.
4yr. heads........$2.50  5 to 6 yr. heads...$5.00

**Cornus florida**  *Whiteflowering Dogwood*
A native tree of medium growth.

**Magnolia soulangeana niger**
Flowers similar to Soulangeana, but much darker in color. Grows in clump form.
2 to 3 ft...........................$2.00

**Magnolia stellata halleana**  *Star Magnolia*
A dwarf bush form tree with pure white starlike flowers in April.
2 to 2½ ft. .............$6.00  2½ to 3 ft. .........$8.00

**Malus arnoldiana**  *Arnold Crab*
Pink, semi-double flowers in April.

**Malus atrosanguinea**  *Carmine Crab*
Single crimson with ornamental fruit.

**Malus baccata**  *Siberian Crab*
Largest flowering white with yellow fruit.

**Malus coronaria**  *Wild Sweet Crab*
Low, bushy tree with sweet-scented rosy red flowers in May.

**Malus elyi**
A new variety resembling Floribunda but with larger and better colored flowers.

**Malus floribunda**  *Japanese Flowering Crab*
Profusion of crimson flowers in early Spring. One of the best.

**Malus ioensis bechteli**  *Bechtel Doubleflowering Crab*
Large, double pink, fragrant flowers.

**Malus niedzwetzkyana**  *Redvein Crab*
Deep pink flowers fading to white. Loose grower.

**Malus parkmani**  *Parkman Crab*
Semi-double, warm rose flowers.

**Malus prunifolia rinki**
Large white flowers with red and yellow fruit.

**Malus purpurea**  *Purple Crab*
A form of Japanese Crab with rich red flowers and foliage.

**Malus robusta**  *Cherry Crab*
Very early. Large white flowers and red fruit.

**Malus sargentii**  *Sargent Crab*
Beautiful, pure white flowers 1 inch in diameter, with attractive fruits, some yellow and some red.
ORNAMENTAL AND SHADE TREES

Malus scheideckeri
Early. Small tree of pyramidal habit with small, bright, rose colored flowers in great profusion.

Malus spectabilis
Coral red buds paling to delicate rose when fully expanded; exquisite fragrance.

Malus—Flowering Crab

Quercus rubra
Red Oak
The best all-around Oak, fast growing and very healthy.
6 to 8 ft. .......... $3.00 1½ to 1½ in. cal. $4.50
1½ to 2 in. cal. ...... $7.50

Robinia globosa
Globe-headed Locust
2 yr. heads .................. $3.00

Salix babylonica
Babylon Weeping Willow
Wavy, bright green foliage borne on slender, pendant branches. Fine for waterside planting.
1½ to 1½ in. cal.$3.00 1½ to 2 in. cal. ....... $4.00

Salix caprea
Pussy Willow
Improved variety with pink tinted catkins.
6 to 8 ft. bush .......... $2.50

Salix—Weeping Willow

Morus alba pendula
Weeping Mulberry
One of the most popular small weeping trees.
3 yr. heads ................. $2.50
Specimens, 5 yr. heads .... $5.00

Platanus orientalis
Oriental Plane
A well-shaped tree with mottled gray green foliage and white trunk.
3 to 3½ in. cal.$12.50 3½ to 4 in. cal. ..$17.50

Populus nigra italica
Lombardy Poplar
Tall, slender, pencil-shaped. Good for screens and borders of pools.
2 to 2½ in. cal. .......... $5.00 2½ to 3 in. cal. .... $6.50

Prunus pissardi nigra
Purpleleaved Plum
4 to 5 ft. .......... $1.00 7 to 8 ft. ...... $6.00

Prunus masseri
Purpleleaf Plum
5 to 6 ft. .................. $4.00

Prunus spirosa folios atropurpureum
Smaller leaves and more shrubby habit than the above.
5 to 6 ft. .................. $4.00

Prunus subhirtella pendula
Weeping Japanese Cherry
This weeping form is budded on tall stems and has small pink flowers.
2 yr. heads ................. $3.00
Specimen, 5 yr. heads .. $12.50

Salix—Weeping Willow

Salix vitellina aurea
Golden Weeping Willow
Beautiful with its graceful light green foliage and golden bark.
3 to 3½ in. cal. ............ $10.00

Sorbus aucuparia
European Mountain-ash
Well shaped trees of medium growth; glossy green pinnate leaves with clusters of orange scarlet berries in the Fall. Valuable for small lawns.
1 to 1½ in. cal. .......... $2.50 2½ to 3 in. cal. .... $7.50
1½ to 2 in. cal. .......... $3.00 3 to 3½ in. cal. .... $10.00
2 to 2½ in. cal. .......... $5.00 3½ to 4 in. cal. .... $17.50

Tilia americana
American Linden
A fine, ornamental tree, pyramidal in form and very shapely, with large, heart-shaped leaves and fragrant flowers in June.
2 to 2½ in. cal. .......... $7.00 2½ to 3 in. cal. .... $9.00
3 to 3½ in. cal. .......... $12.50

Ulmus americana
American Elm
The most beautiful of Elms. Lofty and spreading, with drooping branches. Needs plenty of room to grow.
2½ to 3 in. cal. ............ $10.00

Ulmus pumila
Chinese Elm
New, very hardy, drought-resisting and very graceful.
2½ to 3 in. cal. .......... $8.00 3 to 3½ in. cal. .... $10.00
3½ to 4 in. cal. .......... $12.50
Flowering Shrubs

The different varieties of flowering shrubs makes it possible to have in your garden a continuous blooming period from early Spring to late Fall. They are comparatively inexpensive and just deserve a place in every planting.

**Althaea**  
*Rose-of-Sharon*  
Tall growing shrubs covered with large, handsome single and double flowers.  
4 to 5 ft., tree form......................... $2.00  
5 to 6 ft., tree form......................... 3.00

**Azaleas** — Also see Evergreen Shrubs

**Azalea arborescens**  
*Sweet Azalea*  
White, tinged pink flowers in June and July.  
18 to 24 in......................... $3.00

**Azalea kaempferi**  
Large, beautiful, fine red flowers. Grows tall and bushy and is perfectly hardy.  
18 to 24 in............. $3.00  2 to 2½ ft............. $4.00

**Azalea Miss Louise Hunnewell**  
A hybrid of Azalea mollis.  
15 to 18 in............. $2.00  18 to 24 in............. $3.00

Each................. $0.35

**Berberis thunbergi atropurpurea**  
*New Redleaved Japanese Barberry*  
Rich bronzy red foliage all Summer.  
15 to 18 in............. $0.25  2 to 2½ ft............. $1.00  
2½ to 3 ft............. $1.50

**Berberis thunbergi minor**  
*Box Barberry*  
A dwarf form of the Japanese Barberry with smaller leaves.  
18 to 24 in........... $0.50

**Buddleia alternifolia**  
*Chinese Butterflybush*  
A splendid new variety with arching branches covered with beautiful lilac-purple flowers in clusters from July to October.  
4 to 5 ft......................... $1.00
**FLOWERING SHRUBS**

**Buddleia magnifica**  
*Summer Lilac or Butterflybush*
A graceful shrub of rapid growth bearing long spikes of Lilacleike flowers from July to September.
5 to 6 ft.$1.50

**Calycanthus floridus**  
*Common Sweetsrub*
Old-fashioned shrub with chocolate colored blossoms.
2 to 3 ft.$0.50

**Cercis canadensis**  
*Judas-tree*
All the branches are covered with a mass of small, rosy pink flowers in early Spring before the leaves appear.
3 to 4 ft.$1.50

**Clethra alnifolia**  
*Sweet Pepper Bush*
One of our best dwarf shrubs bearing spikes of pure white, fragrant flowers during July and August.
2 to 2½ ft.$0.75

**Cydonia japonica**  
*Japanese Quince*
One of the first shrubs to bloom in the Spring, having bright orange red flowers in April.
12 to 18 in.$0.25 1½ to 2 ft.$0.35

**Daphne mezereum**  
*Mezereum Pink*
Exquisitely fragrant, tiny, purple flowers in early Spring.
18 to 24 in.$2.50

**Deutzia gracilis**  
*Slender Deutzia*
A dwarf shrub completely covered with pure white flowers in May and June.
18 to 24 in.$0.50

**Deutzia Pride of Rochester**
A tall growing variety, covered with double white flowers tinged with pink in June.
2 to 3 ft.$0.50

**Deutzia scabra crenata florepleno**  
*Double Rose*
June brings the beauty and fragrance of this shrub’s double pink flowers.
2 to 3 ft.$0.50

**Forsythia intermedia**  
*Golden Bell*
An erect growing shrub with deep yellow flowers and graceful arching branches.
18 to 24 in.$0.25 6 to 7 ft.$3.00
5 to 6 ft.$2.00 7 to 8 ft.$3.00

**Forsythia suspensa**  
*Weeping Golden Bell*
Beautiful yellow sprays that announce Spring.
4 to 5 ft.$1.50

**Hydrangea arborescens grandiflora**  
*Hills of Snow*
Large, pure white flowers in July and August.
Small clumps.$0.25  Medium clumps.$0.50  Large clumps.$1.00

**Hydrangea paniculata grandiflora**  
*Peegee Hydrangea*
Huge, conical-shaped blooms in late Summer and early Fall. Pure white changing to dark pink.
1½ to 2 ft.$0.50  2 to 3 ft.$0.75  2 to 3 ft., tree form.$0.75

**Ilex verticillata**  
*Winterberry*
An upright shrub with bright red berries. Makes ideal Christmas decorations.
2 to 2½ ft.$1.00

**Kolkwitzia amabilis**  
*Beautybush*
2 to 3 ft.$0.65  3 to 4 ft.$1.00  6 to 8 ft. specimen.$5.00

**Kolkwitzia Lespedeza bicolor**  
*Purple Bushclover*
2 yr. plants.$0.85
Ligustrum ovalifolium  *California Privet*
Vigorous shrub of excellent habit. Large, glossy, dark green leaves. One of the most popular hedge plants.
18 to 24 in. $0.75 per 10, $6.50 per 100
2 to 3 ft. $1.00 per 10, $8.50 per 100
3 to 4 ft. $0.20  5 to 6 ft. $1.00
4 to 5 ft. $0.50  6 to 8 ft. $1.50 to $2.00

Ligustrum regalianum  *Regal Privet*
A low spreading shrub with white flowers and black berries.
3 to 4 ft. $0.75

Lonicera tatarica alba  *White Tatarian Honeysuckle*
Dainty, white blossoms and later red fruit.
2 to 3 ft. $0.40

Lonicera tatarica sibirica  *Red Tatarian Honeysuckle*
Similar to above with red flowers.
2 to 3 ft. $0.40

Philadelphus virginale  *Virginal Mock orange*
Large, double white, fragrant flowers in June and intermittently during the Summer. A fine, new shrub.
2 to 3 ft. $0.50  3 to 4 ft. $1.00
4 to 5 ft. $1.50

Spiraea, Anthony Waterer  *Dwarf Crimson Spirea*
A compact shrub with deep rose pink flowers in June and July.
18 to 24 in., heavy $1.00

Spiraea billardi
Pink. July-October.
2 to 3 ft. $0.40

Spiraea callosa alba  *Dwarf White Spirea*
Clusters of white flowers in June and July.
18 to 24 in., heavy $1.00

Spiraea prunifolia  *Bridalwreath*
Pure double white flowers in May.
2 to 3 ft. $0.50

Spiraea vanhouttei
Forms a graceful, pendulous bush surpassing all other Spireas with its beauty and gracefulness. Pure white flowers.
2 to 3 ft. $0.40  3 to 4 ft. $0.75
4 to 5 ft. $1.00

Symphoricarpos racemosus  *Snowberry*
Produces large white berries in great abundance in the Fall. Does well in partial shade.
3 to 4 ft. $0.75

Symphoricarpos vulgaris  *Corallberry*
A vigorous and quick growing shrub that does well in the shade. It bears clusters of coral red berries which remain throughout the Winter.
3 to 4 ft. $0.75

Syringa vulgaris  *Common Purple Lilac*
Clusters of fragrant purple flowers in May.
2 to 3 ft. $0.75  4 to 5 ft. $1.50
3 to 4 ft. 1.00  5 to 6 ft.  2.00

Syringa vulgaris alba  *Common White Lilac*
Clusters of fragrant white flowers in May.
2 to 3 ft. $0.75  4 to 5 ft. $1.50
3 to 4 ft. 1.00  5 to 6 ft.  2.00

Hybrid Lilacs

Charles X.  
Jan van Tol. Single white.
Mme. Lemoine. Double white.
President Greyv. Double blue.
2 to 3 ft. $1.25

Tamarix africana  *1 to 1½ ft. $0.50*

Viburnum carlesi  *Fragrant Viburnum*
2½ to 3 ft. $2.50

Viburnum plicatum  *Japanese Snowball*
Showy white, ball shaped flowers in June. Handsome foliage turning purple in the Fall.
18 to 24 in. $0.85

Weigela, Eva Rathke  *Redflowering Weigela*
A remarkably free bloomer with red flowers.
1½ to 2 ft. $0.50  3 to 4 ft. $1.00
2 to 3 ft. $0.75  4 to 5 ft. $1.25
Vines and Climbers

This class of plants is most useful to carry out some particular scheme in the landscape or to round out and complete some planting. Nothing adds so much to the homelike appearance of a house as a few well chosen vines.

*Ampelopsis veitchi* *Japanese or Boston Ivy*
This useful vine has glossy foliage which stands smoke and dust.
4 in. pots..........................$0.25

*Clematis, Mme. Edouard Andre*
Strong, pot-grown plants.................$1.00

*Clematis jackmanii*
Dark purple flowers with ribbed bar down the center of each sepal.
Strong, pot-grown plant.................$1.00

*Clematis paniculata* *Sweet Autumn Clematis*
Fluffy, white, very fragrant flowers in September.
Medium plants........................$0.50
Extra heavy plants.....................1.50

*Hedera helix* *English Ivy*
An evergreen climbing vine which makes an ideal wall cover. Pot-grown plants.
3 in. pots..............$0.15 4 in. pots..............$0.25
Large plants..................$0.50

*Hedera helix minor* *Small-leaf English Ivy*
Similar to the above except that the leaves are smaller and the plant is of slower growth. Pot-grown plants.
4 in. pots..........................$0.25

*Pachysandra terminalis* *Japanese Spurge*
A low growing, evergreen plant 6 to 8 inches high. Especially useful to plant in places where grass will not grow. Pot Grown Plants 10 100
2½ in. pots..........................$0.80 7.50
4 in. pots..........................1.50 12.00

*Polygonum auberti* *Chinese Fleecevine*
A strong, vigorous grower with sprays of white flowers.
Strong plants........................$1.00

*Wisteria sinensis* *Chinese Wisteria*
A fast, tall growing climber with long clusters of purple flowers. Profusion of blooms in May.
4 yr., grafted..........................$1.00
Tree form..........................$3.00 to $15.00
Perennials

During the past few years, perennials or hardy flowers have gained a tremendous popularity. People have come to realize that by the proper selection of fine perennials, their gardens may have an abundance of beautiful flowers for the entire season.

There is another trend today, as you are probably aware, towards rock gardening. The idea is to utilize an otherwise useless bank or corner and to create, with the use of rocks, low growing plants and evergreens, an interesting and delightful rock garden. It is surprising how attractive even a limited space can be made with the little gems of flowers offered in the following pages. You are cordially invited to visit our nurseries and see our rock gardens where we have endeavored to illustrate to our customers the proper use of these plants. We are always glad to render any possible assistance in the selection of any plants you desire.

Our aim is to produce only the best varieties of the most popular choice perennials. Although not listed in this catalog, our botanical friends visiting our nurseries will always find some rare plants or new horticultural introductions on trial in our show grounds.

The quality and size of our plants at Raven Rock Nurseries reflects itself in the ever increasing number of our satisfied customers, many of whom make it a habit and find it a great joy and pleasure to visit our nurseries at regular intervals. The prices quoted in this catalog are for strong field grown clumps. In addition, we are able to furnish certain varieties in \( \frac{1}{2} \) inch pots at 10c. each, $1.00 per dozen. At certain seasons of the year we will also have some varieties which we can offer in smaller sizes than our regular field grown plants and which will be priced according to their respective sizes.

**Achillea. Yarrow**
- Filipendulina, Parker’s Variety Fernleaf Yarrow. 3-4 ft. July-Aug. Bright yellow.

**Ajuga. Bugle**
- Hybrida tottenthami. 6 in. May-June. Blue flowers. Foliage bronze. 35c. each

**Anchusa. Bugloss**
- Myosotidiflora. 12-18 in. Blue, Forget-me-notlike flowers in May-June. Large leaves.

**Anemone. Japanese Windflower**

**Aquilegia. Columbine**
- Caerulea hybridra, Long-spurred Hybrids. 2 to 3 ft. May-June. Mixed colors.
- Caerulea cuprea, Copper Queen. 2-3 ft. May-June. Copper red.

All Perennials, 25c. each, $2.50 per doz., unless otherwise noted
PERENNIALS

Raven Rock Nursery

Arabis alpina
6-9 in. April-May. Vivid rose white flowers.

*B. rosea.
6 in. April-May. Single.

Arenaria montana.
White. 4-6 in. May-June.

V. carpitosa. 2 in. Mosslike, dwarf creeper. Useful between flagstones and in rock gardens. White flowers in summer.

*Armeria. Thrift or Sea Pink
C. rubra. 9-12 in. May-June. Dark pink. 35c. each
F. 8-12 in. May-June. Pale pink.
M. lauchena. 6-8 in. May-June. Dark pink.

Artemisia. Sagebrush
Silver King. 2-3 ft. Silver gray, finely cut foliage, useful for bouquets and contrast plant in border.

Aster. Hardy Asters
*Alpinus. Rock Aster. 6-12 in. Spring. Violet blue, yellow center.
Novae-angliae, Barr’s Pink. 4-5 ft. Aug.-Sept. Large, fine pink; yellow center.
Novibeloii, Queen Mary. 2½-3 ft. Aug.-Sept. Blue.
Tataricus. 5-6 ft. Oct.-Nov. Violet blue.

Varieties marked (*) are suitable for the rock garden.

Astilbe (Spiraea)

*Aubrietia. False Wallcress
*Deltoidea bougainvillei. 4-6 in. April-May.
*Deltoidea erys. Violet. 4-6 in. April-May.
*Deltoidea graeca. Light blue. 4-6 in. April-May.
*Deltoidea leichtlini. Large flowered. Rosy purple. 4-6 in. April-May.

*Bellis perennis. English Daisy, Bachelor Button
Double Mixed. Red and white. Spring. 15c. each

Bleedingheart. See Dicentra

*Cactus opuntia. Hardy Cacti
Humilis. Yellow. 6 in. June.

Campanula. Bellflower
*Carpathica. Blue. 8 in. Summer.
*Carpathica alba. White form of the above.
Medium. Canterbury-bell. Blue, white, pink. 2-3 ft. June-July. 15c. each
*Muralis (Portenschlagiana). Dark violet. 3 in. Summer.

Caryopteris. Blue Spirea
Incana. Lavender blue. 2-2½ ft. Autumn.

Campanula carpatica

Varieties marked (*) are suitable for the rock garden.
Hardy Chrysanthemums

At the close of Summer the Hardy Chrysanthemums produce a very attractive display of color after most of the other garden flowers are destroyed by frost. Our selection of Chrysanthemums include a wide variety of color and habit and are recommended for their early flowering quality as well as their hardiness. We offer young potted plants for Spring planting as well as field grown plants in the Fall. Flowering plants will transplant well if given reasonable care.

**Aladdin.** Bronze apricot orange. Aug.-Nov. 50c. each
**Barbara Cumming.** Early low. Large, clear yellow flowers. Aug.-Sept.
**Carrie.** Early yellow. 2 ft. Sept.
**Daybreak.** New pink variety.
**Early Bronze.** Low Pompon. 1½ ft. Sept.-Nov.
**Jean Cumming.** Large white. Oct.
**Lucifer.** Copper red. Oct.-Nov.
**Marion Hatton.** Brilliant yellow. Sept.-Nov.
**Mrs. Coolidge.** Single crimson red. Yellow center. Oct.

**Cimicifuga.** Bugbane
**Racemosa, Simplex.** White spikes. 3-4 ft. Fall. 35c. each

**Convallaria**
**Majalis.** Lily-of-the-valley. Fragrant white flowers. May-June.

**Coreopsis.** Tickseed
**Lanceolata grandiflora.** Golden yellow, 2-2½ ft. June-Aug. 15c. each
**Verticillata.** Small yellow flowers. 1½-2 ft. July-Sept.

*Cotoneaster.*** See Evergreen Shrubs

**Gypsophila.** _Baby's breath_

**Paniculata _ploerpleno, Bristol Fairy.*** Double white flower. 2-3 ft. June-Sept.

**Helenium.** _Sneezeweed_

**Riverton Gem.** Yellow changing to red. 3-4 ft. Aug.-Oct.

Varieties marked (*) are suitable for the rock garden.
Bouquet of Gaillardia and Gypsophila
(See page 29)

*Helianthemum. Sun- or Rockrose

*Helleborus. Christmas Rose
Niger. Large white flowers. Evergreen leaves.
1 ft. Feb.-March. $1.00 each.

Hemerocallis. Daylily
2-2½ ft. June.
Mrs. W. H. Wyman. Late, clear yellow. A choice new variety.
$1.50 each

*Heuchera. Coralbell

Hibiscus. Marshmallow
Red, Pink, White. 4-5 ft. Aug.-Sept.

Hosta. See Funkia

*Houstonia. Quaker Ladies
Caerulea. Mass of light blue, dainty little flowers on low, semi-globular bushes. 2-4 in. May-June.

Iberis. Candytuft
Gibraltarica. Lavender. 9-12 in. April-May.

Iris

Iris germanica. German Iris
The following list of Iris comprises a collection of choice varieties in a range of colors. All of the following varieties have proven very successful at our nursery and many of them possess exceptional merit especially at the reasonable prices quoted. You are cordially invited to visit our nursery during the blooming period which is during May and June.
The culture of German Iris is very simple. They prefer a well drained sunny location and will thrive in most any soil. Although they may be transplanted almost any time, best results are obtained when planted during July and August. “S” denotes standard or upright petals; “F” denotes falls or lower petals.

Strong plants. 25c. each, $2.00 per 10, $15.00 per 100

Divisions—at reduced prices

Alcazar. S., light violet; F., deep purple bronze with veined throat. 48 in. Very fine.
Archeveque. S., deep purple violet; F., velvety red purple. 24 in.
Carthusian. S., clear lavender blue; F., darker blue. 27 in.
Celestra. S., lavender; F., deep lavender. Large and free flowering. 32 in.
Eldorado. S., yelllowish bronze shaded lavender; F., bright purple. 22 in.
Fairy. White, bordered and suffused blue. 27 in.
Flavescens. A delicate, pale yellow. 20 in.
Her Majesty. S., rosy pink; F., pink, veined crimson. 25 in.
Lohengrin. One of the most vigorous of the German Iris. S. and F., deep violet mauve. 28 in.
Monsignor. S., violet; F., velvety purple crimson. A fine, dark variety. 22 in.
Nebelungen. S., olive green suffused with yellow; F., deep purple violet, edged pale yellow. 27 in.
Palida Dalmatica. S., clear lavender blue; F., deep lavender. One of the finest of its class. Large, fragrant flowers. 40 in.

All Perennials, 25c. each, $2.50 per doz., unless otherwise noted
German Iris—Continued

POWHATAN. S., light violet with deeper borders; F., deep purple with crimson shades. Large flowers. 38 in.

PRINCESS VICTORIA LOUISE. S., light sulphur yellow; F., rich violet red, edged creamy white. 27 in.

PROSPER LAUGIER. One of the best bronze colored Iris. S., bright bronze; F., rich velvety maroon. 25 in.

QUAKER LADY. S., smoky lavender with yellow shadings; F., pale blue and gold. 38 in.

QUEEN OF MAY. S. and F., rosy lavender. 27 in.

RHEIN NIXE. S., pure white; F., deep violet blue, with a white edge. A very strong and robust grower. 27 in.

SHERWIN-WRIGHT. S. and F., bright golden yellow. The best yellow. 26 in.

VIOLACEA GRANDIFLORA. S., rich blue; F., violet blue. A good standard variety. 27 in.

Iris kaempferi. Japanese Iris

Strong plants. 25c. each, $2.00 per 10

Unlike the German Iris, they enjoy moist or almost swampy ground, but will thrive in well drained soil if they are given sufficient water during the dry Summer season. They come into bloom right after the German Iris and are at their best in July. It is not unusual to have flowers 6 to 8 inches across. They are different in character from the German Iris in that they do not have the distinct standards and their falls are practically horizontal.

ALBA PLENA. Pure white, six petals and very large.

BLUE FLAG. Indigo blue with light white veins; bright yellow at the base; six petals.

FIREFLY. Deep purple; golden yellow center; six petals.

GOLD BOND. Large pure white with yellow center; six petals.

OTHEROLO. Lavender blue, veined white with white center; six petals.

PARAGON. Rich velvety purple; three petals.

Iris Species

*Cristata. Crested Iris. Dwarf native Iris. Light blue. 4-8 in. May.

OCHROBULKA GIANTEA. Creamy yellow. 2-3 ft. May-June.

ORIENTALIS. Purplish blue. 2-3 ft. May-June.

*Pumila cyannea. Violet. 8-12 in. May.

*Pumila excelsa. Yellow. 8-12 in. May.

SIBIRICA. Siberian Iris. Perry’s Blue. Clear blue. 3-4 ft. May-June.

*Lavandula. Lavender

*Leontopodium. Edelweiss

ALPINUM. Woolly white flowers; gray foliage. 4-8 in. May-June.

Liatris. Gayfeather

PYCNOSTACHYA. Rosy purple. 3-4 ft. July-Sept.

SCARISIA. Clear purple. 3-4 ft. July-Aug.

Lilium. Lily

REGALE. White. 3-4 ft. June-July.

*Linaria. Toadflax

PALLIDA. Violet blue. 2-3 in. June-Aug.

*Linum. Flax

FLAVUM. Golden yellow. 1-1½ ft. All Summer.

PERENNIAL. Blue. 1-2 ft. All Summer.

*Lithospermum. Cromwell

PROSTRATUM. Heavenly blue. 4-6 in. May-July.

Varieties marked (*) are suitable for the rock garden
Phlox decussata. *Hardy Phlox*

Phlox are a very showy and extremely useful flower and deserve a prominent place in every garden as they have a continual blooming period from June until late Fall. Our collection comprises a wide range of colors and includes many of the newer and improved varieties.

**Baron Van Heekin.** Excellent salmon pink flowers.

**Caroline Vandenberg.** The bluest Phlox of all. The flowers are of a beautiful striking color and are borne on large trusses.

**Commander in Chief Hindenburg.** Crimson red with dark eye.

**Dawn.** Light pink with dark eye; strong, healthy grower.

**Homeland (Deutschland).** Brilliant orange red. A great favorite.

**Karl Foerster.** One of the latest and best novelties. A glowing dark orange red.

**Leo Schlageter.** A very strong growing variety having large, pyramidal trusses of brilliant scarlet carmine flowers with a darker center.

**Mrs. Jenkins.** The best pure white.

**Mrs. Millib Van Hoboken.** Very large, soft pink flowers without eye; borne on strong, erect stems. A fine variety.

**Rijnstroom.** Large deep pink; a fine old variety.

**Phlox subulata. *Mountain Pink***

**Alba.** Pure white. 4-6 in. April-May.

**Alba Nana.** Dwarf white. 2-4 in. May.

**G. F. Wilson.** Mauve. 4-6 in. May.

**Lilacinia.** Soft blue. 4-6 in. April-May.

**Red Seedling.** 4-6 in. April-May.

**Rosea.** Pink. 4-6 in. April-May.

**The Bride.** Early bluish white. 4-6 in. April-May.

**Vivid.** Vivid bright pink. 4-6 in. May.

Phlox Species

**Amoenia.** Pink. 4-6 in. May.

**Divaricata laphami.** Lavender blue. 9-12 in. May-June.

**Maculata alpha.** Brilliant pink. 2-2½ ft. June-July.

**Suffruticosa, Miss Lingard.** White. 2-2½ ft. June-July.

**Pelargonium. *Hardy Geranium***

**Zonal.** Small, round white and green foliage. An excellent creeper for color effect in sunny rock gardens.

Physostegia. *False-dragonhead***

Pinks. *See Dianthus*
**PERENNIALS**

*Raven Rock Nursery

**Plumbago.** *Leadwort*
Larpentae. Blue. 9-12 in. Fall.

*Polemonium.** *Jacobs-ladder*
Reptans. Blue. 6-12 in. May.

*Potentilla.** *Cinquefolia*
Nepalensis, Miss Willmott. Cerise. 1-1 ½ ft. Summer.

*Primula.** *Primrose*
Cashmeriana. Blue, ball-shaped flower heads. 9-12 in. June.
Polyanthus. Various colors. 6-9 in. May-June.
Veris. Mixed colors. 6-9 in. May.

*Primula.** *Selfheal*
Grandiflora. Violet, purple flowers. 9-12 in. All Summer.

*Pyrethrum.** *Painted Daisy*

*Rudbeckia.** *Coneflower*

*Santolina.** *Lavender-cotton*
Chamaecyparissus incana. Gray contrast plant. Useful for edging. 1 ft.

*Saponaria.** *Soapwort*
Ocyoides. Pink. 9-12 in. June-July.

*Saxifraga.** *Saxifrage*

**Scabiosa.** *Pincushion Flower*

*Sedum.** *Stonecrop*
Album. White. 4-6 in. June.
Dasyphyllum. Pinkish white. A gray-leaved rock garden gem. 2-3 in.
Middendorfianum. A low Sedum of proven merit. Flowers white. 2-3 in.
Nevi. A gray-leaved, decorative species. White. 3-4 in.
Sarmentosum. Spreads fast. Yellow. 2-3 in.
Sieboldi. A taller, late flowering, valuable Sedum. Glaucous foliage. Dark pink flowers in Sept. 5-6 in.
Spectabile. Brilliant. A darker shade of pink than the preceding. 1-1 ½ ft.
Sputium coccineum. Rosy crimson colored form of the above.

All Sedums 25c. each for large clumps, 15c. each for medium plants.

*Sempervivum.** *Houseleek*
Arachnoideum. Cobweb. Small, gray rosettes with the characteristic spider web formation on top. Ruby red flowers.
Arachnoideum laggeri. A larger species of the above.

Varieties marked (*) are suitable for the rock garden.
Sempervivum—Continued

**Fauconnetti.** A small reddish Sempervivum. In shallow places it makes an abundance of very tiny rosettes. Grows easy on rough-surfaced stones.

**Funcki.** A small, readily multiplying kind. Rose flowers.

**Globiferum.** Globular rosettes, produced in great numbers. Yellow flowers.

**Rubicundum.** Medium sized green and red Sempervivum.

**Tectorum.** The well known variety. The best grower. Large, green rosettes. Rose flowers.

All Sempervivums, except as noted, 25c. each for clumps, 10c. each for single rosettes.

**Shasta Daisy.** See Chrysanthemum

**Sidalcea.** Greek or Prairie Mallow

**Monarch.** Rosy crimson. 2-3 ft. Aug.

**Nimmerdoor.** Pink. 1½-2½ ft. July-Aug.

**Silene.** Catchfly

**Alpestris.** White. 3-4 in. June.

**Schafta.** Pink. 3-4 in. June-Aug.

**Spiraea.** See Astilbe

**Stachys.** Woundwort

**Statice.** Sea-lavender

**Latifolia.** Purplish blue, large flower heads. 1½-2 ft. July-Aug.

**Stokesia.** Cornflower Aster

**Cyanea.** Blue. 2-2½ ft. July to Fall.

**Sweet-william.** See Dianthus barbatus

**Thalictrum.** Meadowneur

**Glaucua.** White feathery flower sprays. Cut-leaf foliage. 2-3 ft.

**Thymus.** Thyme

**Citriodorus argenteus.** Silvery, variegated, fragrant Thyme. 6-9 in.

**Citriodorus aequalus.** Golden variegated form of above.

**Serpyllum album.** Low mat of white flowers in June-July. 2-3 in.

**Serpyllum cocineum.** Deep pink. 2-3 in. June-July.

**Serpyllum lanuginosus.** Woolly Thyme. Low gray and woolly-leaved creeper. Indispensable for rock gardens.

All Thymus, 25c. each for clumps, 15c. each for medium plants

Clapp’s Favorite.
Bartlett.

3 yrs. $1.25 each

**GRAPES**

We have a fine stock of bearing size Grape vines.

75c. to $1.25 each
Roses

The loveliest of all flowers is the Rose and the sweetest of all perfumes is its fragrance. Almost every home has room for at least a few. To achieve best results, a good loamy soil, well drained and exposed to full sunshine should be selected. Prepare the soil by spading deeply and mixing with it a liberal quantity of well rotted cow manure or a lesser quantity of commercial fertilizer.

The Hybrid Tea or Everblooming Roses have a continual blooming from June to late Fall, and are perfectly hardy if given a slight protection. Our Roses are all strong, 2 year old, budded, field grown plants which we have potted. These plants may be set out any time until the latter part of June and can be relied upon to bloom throughout the first season.

**HYBRID TEA, or EVERBLOOMING**

Business Terms and Suggestions

IMPORTANT—Order early and take advantage of our complete assortment. We ask that shipping directions be explicit; whether by express, parcel post, freight, or by truck. If we do not have this information we will use our best judgment and ship at the proper time and best method.

TERMS—Cash or satisfactory references must accompany all orders from purchasers unknown to us. A deposit of 20% will hold any tree for later delivery. To persons of established credit the terms are net 30 days. Interest charged on all accounts after maturity.

PACKING—Where shipments are made by freight, express or parcel post, a nominal charge will be made for labor and material used.

GUARANTEE—All stock will be in good condition when shipped; strong, healthy and true to name; but due to varying climatic conditions, soil, location and after care, it is impossible for us to explicitly guarantee our stock to live. However, where we are satisfied that the plants have had proper care, we will do our utmost to be fair and reasonable in any adjustment.

While we exercise the greatest care to have all our trees, shrubs and plants true to name, we do not give any warranty expressed or implied, and it is understood and agreed between the purchaser and ourselves that we shall not, at any time, be held responsible for a greater amount than the original purchase price.

All claims for errors or omissions must be made within 5 days after receipt of goods or claim will not be allowed.

DELIVERY—The prices given are F.O.B. our nurseries. Free delivery within 10 miles, and beyond that a moderate charge will be made for delivery by our truck, unless other arrangements are made at time of sale.
